without notice.

Call (209) 588-9601

For any Questions or Concerns

Digital channels can only be
received from a TV with a QAM
Tuner.

Don't forget to rescan your TV to get
the new channel lineup !

Not all Digital TVs will be able to view
the MPEG4/H264 Signal . You may need
a set top box for these channels

(*) Additional Subscription Required

Rev. June 2024

Analog channels are sunsetting after
January 1st 2023 and digital versions
will remain. Due to the 5G transition
satellite channels may be interrupted
intermittently between November 2022
to December 2023. We hope these
transitions will be as short as possible.
